

THE CENTRAL RECORD.

THIRTY THIRD YEAR

LANCASTER, KY., THURSDAY AFTERNOON, OCTOBER 26, 1922.

NUMBER 29.

POOL MEMBERS ARE WARNED NOT TO BUY TOBACCO

President Stone Declares Such Practice, Even with Intent to Sell Thru Cooperative Organization

Violation of Basic Principle of Organization

Lexington, Ky., Oct. 21.—Members of the Burley Tobacco Growers' Co-operative Association have no right to buy tobacco outside the Association and sell it thru the Association, President Stone declared. Mr. Stone said, nor have they, under the by-laws of the Association, the right to buy the tobacco of the fellow members of the Association, even with the intention of selling it thru the Association, Mr. Stone declared.

"We have received a number of inquiries the past week," said Mr. Stone, in regard to whether members of the Association should buy the tobacco of outsiders and turn it over to the Association to be sold and whether it is legal, under the contract, by-laws and Bingham act, for members to purchase tobacco of members of the Association with a view to selling it thru the Association.

"Inasmuch as the Burley Tobacco Growers' Co-operative Association had for one of its primary purposes the prevention of speculation in the growers' tobacco, such purchases by members of the Association are clearly in violation of the very principle on which the Association is founded."

"At the outset of our organization a resolution was adopted by the board of directors providing that any officer or employee who speculates in tobacco shall be immediately removed from his office or employment. I do not know of any other single factor that could be so harmful to the interests of the Burley Tobacco Growers' Co-operative Association as for our members or employees or officers to buy tobacco, whether from members of the Association or not, and such buying will be deemed good and sufficient reason for terminating the connection of any employee, known to have engaged in it, with the Association."

"There is nothing in our by-laws or our charter, however, to prevent members who desire to aid other members from advancing money on their tobacco, but in each and every case the tobacco must be delivered in the name of the person growing it, and assignment given, and the grower will be paid by the Association whatever is left after paying the loan on the crop."

"We hope that no employee or member of the Burley Association will buy the crop of any member or non-member and if any employee does this, he will be promptly dismissed from the service of the Association. Members are asked to report to the president's office any purchases of crops or offers to purchase crops on the part of members or employees of the Association, so that prompt action may be taken to prevent a continuation of such practices."

Speculators Prices Low

Brandenburg, Ky., Oct. 21.—Judge W. A. Baskett, County Judge of Meade county, in a statement regarding the activities of the tobacco buyers and speculators in this section, said that in his opinion the prices offered by them were about one-half the real value of the crop. The speculators at buying only the choice crops, according to Judge Baskett, and he says that in his opinion, the crops for which they are paying 20 to 25 cents a pound would bring 30 to 50 cents a pound if sold under the co-operative marketing system. Judge Baskett's statement follows:

"I have been chairman of the Burley Tobacco Growers' Co-operative Association since its organization in Meade County, Kentucky. We have quite a number of farmers who pooled their crop last year and the price received for same has been far above their expectation. Not a single person has made a complaint and I sincerely believe the farmers, by pooling their crops this season, will receive a much better price for their crops than they will get on the open market, or from the dealers who are trying to purchase the choice crops. The price offered by local dealers for the choice crops, in my opinion, is about one-half the real value. In other words, I think the crops that are selling for 20 and 25 cents would bring, through the pool, from 30 to 50 cents per pound."

C. E. CONVENTION

C. B. Bastin Re-elected President

The Ninth District Christian Endeavor Convention was held at the Lancaster Christian Church Saturday and Sunday and was said by many of the State officers who had the honor of attending this Convention that it was without a doubt one of the best Conventions held in the State even the District that some of the larger cities are in.

Over two hundred and fifty delegates were registered with two hundred and twenty present for the meeting and something like two hundred visitors which made over four hundred of the leading and most popular boys and girls to be found in the 9th District which includes Stanford, Harrodsburg, Nicholasville, Richmond, Berea, Danville, Mt. Vernon, Somerset, Kirksville, Paint Lick and Lancaster.

The report of the President, Mr. Bastin, showed that there were just twice as many C. E. Organizations now in the 9th District that there was one year ago when President Bastin was elected, this alone goes to show that our fellow townsman is taking an active part in this great work and from the fact that Mr. Bastin was elected to the high honor goes to show that the C. E.'s throughout this District appreciate the earnest and efficient work that he has accomplished and his unceasing energy that he is putting forth for this cause.

Mr. Bastin had some of the best speakers to be found in the State to attend this Convention, among them were Mr. Howard Taylor, of Berea, Ky., who gave a pipe organ recital and spoke on "Service." Dr. Taylor's talk was indeed good and he brought out many points on this subject.

Major Noel Gaines, of Frankfort, chose as his subject, "Is Jesus a Man or a God in the Form of a Man." Dr. M. A. Hart, of Danville, spoke on the "Strength of Youth." Dr. W. A. Hopkins, of Louisville, was another good speaker on this program and brought a great message. Mr. Thomas Talbert, who is known as one of the greatest humorists on the American platform was on the afternoon program Saturday. Rev. Vernon Stauffer, who is the Dean of the College of the Bible at Lexington, brought a message to the Endeavors stating that in the years to come when they would grow up into manhood and womanhood to still have this same spirit as they have now in the Convention and to let nothing take them away from Christ.

One of the best and most pleasing numbers was the duet rendered by the little Misses Bastin, who are the attractive daughters of Mr. and Mrs. C. B. Bastin. At the close of this successful convention the following were elected to serve the C. E. for another year:

President, Mr. C. B. Bastin, of this City; Vice President, Mr. Vernon Cox, of Mt. Vernon, Ky.; Secretary, Miss Katie Carpenter, of Harrodsburg; Treasurer, Mr. Reuben Webb, of Nicholasville, Ky.; Supt. of the 10th Legion, Miss Martha P. Masters, of Nicholasville; Supt. of Junior Work, Miss Nancy Mae Hornie, of Nicholasville; Supt. Intermediate Work, Miss Anna Foreman, of Danville, Ky.; Supt. Jr. Order, Miss Patsy Calmes, of Stanford, Ky.

The Junior band of the Christian church gave a splendid program Saturday afternoon. The delegates were cared for in the homes of Lancaster who were delighted to have these honored guests and who did everything in their power to make the stay of the delegates a pleasant one. Mrs. E. B. Bourland and Mrs. E. C. Gaines were in charge of the entertainment and caring for the delegates and it was the great work that these two ladies accomplished that helped to make this Convention such a success.

Three former Garrard county people who are now connected with the State C. E. work were here for the Convention and were highly complimentary to the local C. E. Organizations for their splendid program, they were Miss Georgia Dunn, Field Secretary, Miss Minnie Pherigo, Supt. of the Worthy Service Program and Mr. Lud Fisher, President of the 10th District of Harlan, Ky.

Dull Court Day

Monday was court day here and a small crowd was in town. A little stock was on the market with few buyers. Very little trading of any kind was done, all in all this was one of the quietest days Lancaster has experienced in some time.

Northern Seed Rye and Timothy Seed.

CONGRESSMAN RALPH GILBERT

Opens Campaign in Garrard County

Judge Gilbert Speaks to a Large Crowd

Monday afternoon at the Court House the Honorable Ralph Gilbert, the present Congressman from the 8th District of Kentucky opened his campaign in this county in the interest of his race to succeed himself in the 68th Congress of the United States.

Congressman Gilbert was introduced by his Campaign Manager for this county, Mr. J. W. "Billie" Swope, who stated that the Judge was just the kind of a man needed now to represent this District in Congress. Mr. Swope made a wonderful plea for the present Congressman and pleaded of the many admirers of our Congressman to not let anything stop them from turning out a big vote for Mr. Gilbert on November 7th., and urged upon them to shower Mr. Gilbert with one of the greatest victories ever known to a Congressman from any District to say nothing of this one.

Judge Gilbert after such a worthy introduction given him by our own Mr. Swope, at once launched a brilliant attack on the present administration. High tariff and taxation also received its share of the criticism and the general inefficiency of the present administration was established by facts and figures well and truthfully stated.

Mr. Gilbert made a lengthy speech and assured his audience that if they should see fit to honor him by sending him to Washington to care for their business that he would take the same great pleasure in rendering service to them in the future as he has in the past.

The present and next Congressman expressed regret over the fact that his opponent whom he has never seen had failed to accept the invitation to be present and join in debate. Congressman Gilbert's past record in Congress is a splendid one, he being the only "first timer" serving as Chairman of one of the most important Committees.

Trade at Home

Now that the Fall season is on us and the time is here when we all think of a new suit, hat or outfit, it is a good suggestion that we suggest to first try at home to make your purchase. The merchants this year have one of the best and most elaborate lines of ladies and gents ready-to-wear ever before known in the history of the City and it behooves you as a citizen of Garrard county and the City of Lancaster to visit your local merchants before going elsewhere. Remember it is the local merchant who is trying to serve you in the best manner that he knows how. It is the local merchant who is fighting for the churches, the schools, it is your merchant who works for the interest of the county, the roads and such like and you owe him a debt of buying your merchandise from the one who helps you and he helps you in one way or the other when he stands shoulder to shoulder to you on the many propositions stated above. Think of one in distress, do you go to the merchant in the surrounding places, the larger cities or ask the mail houses to help? No it is the local merchant he is a Druggist, Grocerman, Butcher, Hardware merchant or any business man. He is the one who stands by you, and helps to make our little City what it is today. Let's show him we appreciate it by assisting him.

Chiropractic Does Not Stimulate The Nerves

Chiropractic simply releases the pressure on the impinged nerve in the spinal column—the nerve that is hindered from sending out 100 per cent nerve energy—and thereby permits the stomach, lungs, liver, head, bowels or other part of the body to become normal.

Health depends primarily upon a 100 per cent flow of nerve energy.

In giving you an adjustment I adjust the cause of your disease. Believe the pressure on the nerve in the spinal column and nature makes you well.

ARMISTICE DAY

Wait for The Biggest Day of The Year

What promises to be one of the biggest days ever pulled off in Lancaster will be staged here on Friday, Nov. 10th., beginning in the early morning. Post Commander Edwards and Adjutant Meadows assisted by Judge R. H. Hayes are putting forth their every effort to make this day a real gala day for Lancaster. Mr. Hays is chairman of the entertainment and besides the many big events that he will pull will also be a foot ball game between the Stanford High School and the Lancaster High School. This game alone would be worth declaring a holiday and going miles to see.

Gilbert To Speak in Garrard Tuesday

Democratic Candidate for Re-election to Speak in Paint Lick and Bryantsville on Tuesday.

October 31st.

On Tuesday afternoon at 2:30 the Hon. Ralph Gilbert will speak at Paint Lick and at 7:30 P. M. that night he will speak at Bryantsville.

These two speaking dates have been specially arranged, by Billie Swope, who is Chairman of the Democratic Campaign Committee, for the benefit of the Paint Lick and Bryantsville sections of the county respectively.

Mr. Gilbert is an unusually good speaker and we are predicting a large crowd at each place to hear an intelligent discussion of the great issues and a real campaign speech.

Book Notes

The Woman's Club Library places upon its shelves this week the six new books that have been most called for. There is fine reading in them for those who hold cards to the Library, and it is well worth the price of membership to read any one on the list that follows:

"The Judge" by Rebecca West—A remarkable study of character, second only to the "Scarlet Letter" or "Tess of the D'Urbervilles." "This Freedom" by Hutchinson is a hymn to home—The theme is, woman in her business career; and her highest duty.

"Gentle Julia"—Tarkinson's story of exuberant youth is certainly entertaining. The scene might have been laid in our town so universal is the local color, and so American is it in touches of home life.

"Robin" by Mrs. Burnell is a continuation of "Head of the House of Coombe"—Of course you will want to finish that grade story. "The Country Beyond" and "Rabbit" are both "best sellers"—read them—they are for your enjoyment and profit.

Transylvania University Freshmen

PLAY HERE TOMORROW

The Transylvania University Freshmen eleven will on tomorrow (Friday) arrive in Lancaster to face the undefeated eleven representing Lancaster H. This promises to be one of the best games yet to be played and will prove to be an interesting contest. T. U. from Lexington has one of the strongest College Freshmen teams in the State and will make Captain Cox and his green and white jersey men uncork many of their new plays in order to send the visitors home with the small end of the score. Coach Downing of T. U. is working hard to be the first team to take the locals scalp while Coach Heber is having supper served to the men on the turf in order that he may continue the long chain of victories already won by the local eleven. "Doc Rhodes of State will call this game promptly at 3 P. M.

Like the frost that closes the pedals of the beautiful rose, thus the life of this little one passed away at the break of day, to join the other little Angels in Heaven.

This beautiful life was so precious, so fraught with blessings to his parents that he seemed a flower of paradise permitted to bloom for a brief season by their side, then recalled to its native skies, leaving the earth road for them lonely and dark indeed.

He only crossed his little hands, He only looked more meek and fair, We parted back his silken hair, We wove the roses around his brow, White buds, the summer's drifted snow, Wrapt him from head to foot in flowers, And thus he went out of this world of ours.

Kicked by a Mule

Little Otto Simpson, the eleven year old son of Mr. and Mrs. John Simpson, who lives on R. F. D. No. 3, had the misfortune of being kicked by a mule at his home Saturday morning. The lad was rushed immediately to the Danville and Boyle County Hospital, where every attention is being given.

INVITATION

To Visit Kentucky University Saturday

Athletic Director Mr. Jno. McRoberts of the Lancaster High School foot ball team received yesterday the following invitation from the Athletic Association of the University of Kentucky of Lexington to bring his entire team over to their City on Saturday to see the "Wildcats" tame Sewanee. The invitation reads as follows:

"Kentucky Vs. Sewanee"

"It is the pleasure of the alumni and the Athletic Association to invite you and your team to be our guests at the foot ball game on Stoll Field Saturday, Oct. 28th.

Mr. McRoberts is now making all arrangements to have Coach Heber to take his State Champions to Lexington.

Judge I. H. Thurman

Speaks in The Interest of The Tobacco Pool

Judge I. H. Thurman, of Springfield, spoke to a large crowd at the Court House Monday afternoon in the interest of the Burley Tobacco Co-operative Marketing Association. Judge Thurman is a forceful speaker and reviewed the work of the Association, declaring that this was one of the greatest organizations in the State and that every farmer and tobacco grower should join in with their friends and help make this 100 per cent strong. Judge Thurman reminded the many people present that the association had carried out all the promises that they agreed to do a little over a year ago and that they would continue to work for the interest of the tobacco grower. A great number of contracts were signed after the speaking.

With all the Directors of the Burley Co-operative Marketing Association present and by a unanimous vote of these gentlemen the last day to sign the contract and get in this organization will be November 6th., 1922. This date was reached after a somewhat lengthy discussion on the matter and the Directors finally decided that if any grower was waiting to find out how the organization was working had had plenty of time and that no contracts would be received after November 6th., 1922. This was one of the best stands that the Directors have taken and if any one is debating the question whether or not he wishes to join the pool, will have to decide before this date as it was as stated above the unanimous vote of all Directors that no contract would be accepted after November 6th.

When nearing the goal, the field general attempted a field goal from the 45 yard line and kicked a perfect goal, however the referee stated that he had not called time and so his perfect goal could not be counted.

Following in the shadows of Crutchfield was V. Gastineau, who also played a wonderful game, he making one of the markers, when he brought the spectators to their feet when he made a beautiful end run for 25 yards around the right end and immediately carried the pigskin over the line for 20 yards more around left end. Captain Cox was responsible for a marker as well as W. Robinson, who played his usual good game and who is an open field runner of ability. The fourth and last marker came in the hands of the local boys by C. Gastineau, who followed up the path led by Hubert Crutchfield.

Bratton at C was in all the mix-ups as well as his right and left hand men in the person of Cox, H. C. and Kavanaugh. They were in line with tackles G. D. Robinson and Crutchfield. The wing men were Lawson, Anderson and Estes. This trio played exceptionally good ball and broke up the aerial attack of Madison High. Speake and Henry were in the afternoon's scrap and were cheered on their exceptionally good playing. Their mascot "Bill" dressed in green and white attended to his men in a real southern manner.

Little Babe Called Home

Died, at his home in our city, little Jennings Bryan, son of Mr. and Mrs. Virgil Conn.

Death came with friendly care, The opening bud to Heaven conveyed, And bade it blossom there.

The funeral of the little two year old son was held Wednesday afternoon. Rev. H. S. Hudson of the Presbyterian church, conducted the services and spoke in words of tenderest sympathy and comfort of deepest Christian hope and promise. The choir sang with beauty and sweetness.

Like the frost that closes the pedals of the beautiful rose, thus the life of this little one passed away at the break of day, to join the other little Angels in Heaven.

This beautiful life was so precious, so fraught with blessings to his parents that he seemed a flower of paradise permitted to bloom for a brief season by their side, then recalled to its native skies, leaving the earth road for them lonely and dark indeed.

He only crossed his little hands, He only looked more meek and fair, We parted back his silken hair, We wove the roses around his brow, White buds, the summer's drifted snow, Wrapt him from head to foot in flowers, And thus he went out of this world of ours.

Card of Thanks

We take this method of expressing our heartfelt appreciation to the relatives and friends who were so very kind and sympathetic during the illness and death of our dear little son, Jennings B. and also those who were so faithful in nursing him and for the beautiful flowers.

Mr. and Mrs. Virgil Conn.

MADISON HIGH

THEIR VICTIM

Crutchfield, The Star of The Afternoon Contest

Hubert Crutchfield with Captain Cox and nine of his first string men trotted on the Madison High gridiron last Friday to play the sixth game of the season. On an ideal foot ball afternoon this stellar player with his beloved team mates lined up against a team that easily outweighed them by 12 pounds to the man. "Crutchie" as he is familiarly known and loved started the game at tackle and played as no player has ever played on the Madison turf. As the hours of play rolled by, the dust cleared away, the referee blew his whistle that the matinee was over, Crutchfield was picked up, the scores were counted and "Crutchie" was declared by Coach Heber as being responsible for the great victory that his team won over the Madison High lads by the score of 25 to 0. This game was played in Richmond and all of Lancaster save a few accompanied the State Champions to the Capitol of Madison county to see their favorite lads win their sixth straight victory.

The Madison lads started hitting the line and were gaining at will. This was confusing to Captain Cox but after a few plays he immediately ordered Crutchfield to report to the secondary defense and to hold his line, with the same orders as a Colonel would take from a General in time of war, ever ready and faithful "Crutchie" was has won a berth on the all State eleven at tackle, obeyed the orders of his efficient Captain and held the Richmond boys in their tracks. On the offense he tore thru the much outweighed line and opened up holes for his fellow mates to run through and thus carry the inflated leather over the chalk line that counted for them six points. One of these markers were made in each quarter. Captain Cox kicking one out of the three attempts for the "try for point."

When nearing the goal, the field general attempted a field goal from the 45 yard line and kicked a perfect goal, however the referee stated that he had not called time and so his perfect goal could not be counted.

Following in the shadows of Crutchfield was V. Gastineau, who also played a wonderful game, he making one of the markers, when he brought the spectators to their feet when he made a beautiful end run for 25 yards around the right end and immediately carried the pigskin over the line for 20 yards more around left end. Captain Cox was responsible for a marker as well as W. Robinson, who played his usual good game and who is an open field runner of ability. The fourth and last marker came in the hands of the local boys by C. Gastineau, who followed up the path led by Hubert Crutchfield.

Bratton at C was in all the mix-ups as well as his right and left hand men in the person of Cox, H. C. and Kavanaugh. They were in line with tackles G. D. Robinson and Crutchfield. The wing men were Lawson, Anderson and Estes. This trio played exceptionally good ball and broke up the aerial attack of Madison High. Speake and Henry were in the afternoon's scrap and were cheered on their exceptionally good playing. Their mascot "Bill" dressed in green and white attended to his men in a real southern manner.

Richmond Team Entertains Lancaster Lads

Brother Saufley Boosts L. H. S.—Locals Royally Honored

The L. H. S. foot ball eleven upon returning to Lancaster after winning Friday's game were highly complimentary to Mr. S. M. Saufley, who is one of the best Editors in the State for his kind remarks relative to the local eleven through the columns of the press and to the Faculty the members of the Madison County High School for the entertainment after the game when they served hot chocolate, sandwiches and everything that was good to eat. Every lad who made the trip was loud in their praise for the courteous treatment extended them by Brother Saufley and the Richmond people in general.

Ballard's Obolisk Flour is pure, healthful and delicious. It is made in a spotlessly clean mill of the finest of wheat. Try a sack today and notice the difference.
